

# ***Acorn Grants***

***Funding Available***

**Click Here to  
Apply Now!**

The Hammond Education Foundation is looking for innovative and extraordinary approaches to teaching and learning. If you have implemented such an approach or any other extraordinary learning experience for your students, the Foundation invites you to apply for funding to continue your efforts. We also welcome applications for funding of new teaching models to be implemented in the 2022-2023 school year.

**Deadline: July 15, 2022**
